Analysis of a conflict:

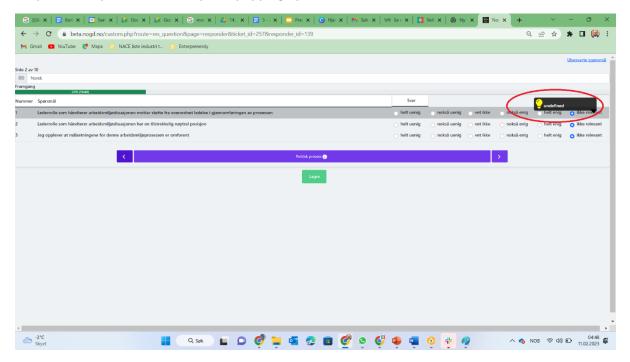

- 1. This should be generated by all user/consultant and responents responses, but now only by user/consultant. Must be mean from all scores.
- 2. Add this to user view and company view (and please add the report generator to both accounts if its not to much hassel)

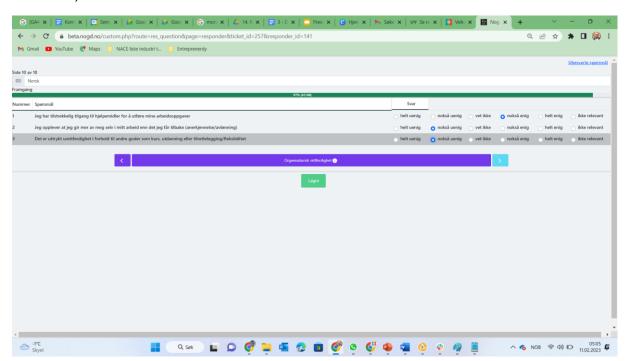

Respondents: when answering "not relevant" the pop up does appear. Please remove this pop up if response is "not relevant":

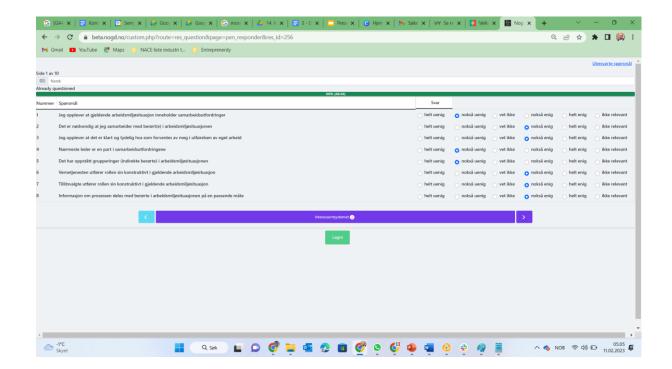

Respondents: please remove tip box popping up.

At the end, it shows 97% answered when all is done

But if you save, you get a 100%. Please make it 100% before we save as well.

Scoring is wrong for all in this example:
